## **Our Stuttgart branch will relocate to a new office at the Stockholmer Platz in the newly built Europe Plaza as of June 1<sup>st</sup> 2017**

After intensive deliberations, we are happy to announce that as of June 1<sup>st</sup> 2017 our Stuttgart branch will relocate its offices to the newly constructed Europe Plaza in Stuttgart.

The Europe Plaza, which is currently still under construction, is located directly at the Stockholmer Platz in the heart of Stuttgart in close vicinity of the City Library and the shopping center Milaneo.

Our decision for this location was based on its unique surroundings in the heart of Stuttgart, the convenient local public transportation connection with the close proximity to the central station as well as the availability of sufficient parking spaces, which in our view offers our clients a more pleasant environment. In addition, our state-of-the-art office spaces and the modern and sustainable office architecture and technology are the ideal basis for our direct and personal consultancy approach towards our clients.

With approximately 255 square meters of highly efficient office space, we have now laid the foundation for a modern and long-term successful cooperation with our clients.

We are looking forward to welcoming you to our new office in the Europe Plaza in June 2017. Until then you can find us at our current offices in Forststraße 9, 70174 Stuttgart in the Bosch-Areal.
